

SOCIAL WORK QUICK FACTS

- The pace of the world increase due to advances in technology and globalization, it is inevitable that the problems we face as individuals and as a society will continue to evolve and become more complex. Our world needs dedicated, passionate and career oriented social leaders to mitigate these complexity.
- Huge requirement of social workers within a government and non government organizations.
- Obtaining an advanced degree gives you a competitive edge. With an MSW, you will have more options in the job market because your skills and expertise will be much more advanced.
- CSR activities become norms for companies in India. 50000 crores to be spend in the developing society.
- Rural development : "Create with the heart; Build with the mind."

**"WHAT WE LEARN
BECOMES A
PART OF WHO WE ARE"**
